

4<sup>th</sup> January 2021

Dear Families,

Thank you for your patience today and we sincerely apologise for the late information last night and the delayed information today. I am sure that you can imagine that we have had a lot to organise today to further ensure the safety of all children and staff.

You will be aware that we have stringent risk assessments in place, however due to the changes with the R rate and the new strain; we needed to further tighten our risk assessments. Some classes will be taught in smaller groups and staffing will be more consistent across the bubbles.

Due to the updated risk assessments, we are pleased to inform you that school is open tomorrow for ALL pupils. Start and finish times remain the same as before Christmas.

The Prime Minister is due to address the nation tonight at 8pm and we will await to see what he says about schools remaining open. We will update you as soon as we can if he makes a significant change.

We are looking forward to seeing you all tomorrow.

Thanking you,

Mrs Graham and Mrs Tumelty
