

22<sup>nd</sup> March 2022

Dear Families,

We are really pleased that we can invite you in for parent consultations and that you will be able to see your child's work. We do understand that telephone consultations suited some people so we are offering both.

Please indicate if you would prefer a face to face conversation or a telephone conversation.

Then please choose a time slot, the teacher will phone you at some point within the hour or allocate you a time within that hour to come into school. The time slot will be confirmed via clasdojo on Friday.

The meetings will last for five minutes and teachers will share information with you regarding how your child has settled back into school and how they are managing with the work. If you and the teacher feel that the time allocated isn't enough then the teacher will make an additional appointment.

It is likely that the teacher will phone you with NO CALLER ID shown. Please answer the call if this shows.
