

St Mary's Catholic Primary School Sports Premium 2022/23

"All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport"

In the academic year 2022-23, we will receive **£17,760** in sports premium funding, with a projected spend of **£17,760**. The budget will be directed to ensure that all five categories of the grant condition are fulfilled. Impacts & sustainability information will be updated across the school year as the document is live:-

1. The engagement of all pupils in regular physical activity
2. The profile of sport and PE raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Review and reflection - considering the 5 key indicators from the DfE, what development needs are priorities for your school?

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">- Providing an efficient CPD programme, increasing the confidence, knowledge and skills of all staff.- Providing the Commando Joe programme to children from Nursery up to year 6.- Attending sports festivals	<ul style="list-style-type: none">- Continue to provide opportunities for staff to increase their confidence, knowledge and skills.- To provide all pupils with the chance to experience a broad range of sports and activities.- Children to become more confident swimmers.- To increase the number of children attending sports clubs.- To use sports leaders across the school effectively.- To enter into an increased number of competitions.

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles, including any additional provision for swimming funded by the premium.

Cost: £2,600

Objective:	Actions	The IMPACT on pupils	Evaluation, Sustainability & Next Steps?
SAs are confident delivering lunch time activities to KS1 year groups to ensure all children have provision to be active in a safe environment.	New SAs to be trained to create an effective lunchtime environment Purchase resources for the playground in order for the children to lead these activities successfully.	SAs are confident leading playtime activities and are aware of how to lead safe, organised activities suited for the different age groups. This will have a positive impact on behaviour during both play times and dinner times It will also increase pupil involvement in physical activity and promote team work and collaborative playing/interaction between year groups.	Create an ethos within school of active play/lunch times. Parents and children to lead a healthy lifestyle with a balanced diet and to promote this within their family. Use within family learning.
Track engagement of pupils in sporting activity outside of curriculum time. Be able to target those less active children with appropriate activities.	With the support of the office staff, track the participation of all children in extended school activities in order to create end of year reports of participation. Target those less active children with appropriate extracurricular activities suited to them.	Those fewer active children are to be identified. Children offered places within After School Clubs. Attendance to clubs monitored and evaluated regularly.	Leaders to monitor the physical activity involvement for all children and to add additional physical activity opportunities throughout the school day to ensure all children are participating in their 60 minutes per day.
Children to become confident swimmers and feel safe in the water.	KS2 children to receive two sets of swimming lessons. Cost of coach to the swimming	Children will become confident in the water and able to swim over 25 meters. The children will be able to complete different strokes in their swimming and know how to stay safe in the water.	Due to the low percentage of children confident at swimming 25 meters, a second session is offered to build on confidence.

Engage all children and foster a love of sport in all children by participating in Sports competitions and Festivals	Children to take part in non-competitive sports festivals. External PE coaches to support children in preparing for the festivals. School buses and coaches to be taken into consideration.	An increase in children participating in Sport. Pupil Voice shows children have more positive experiences of PE and have greater confidence because of their involvement in the festivals.	Children involved in sports festivals throughout Key Stage 1 and Key Stage 2. Set up in school festivals and competitions in the Summer term to give children something to work towards. Sports coaches in UPKS2 to help children across the school develop and foster a love of sport.

2. The profile of PE and sport being raised across the school as a tool for whole school improvement

Cost: £ 2,500

Objective:	Actions	The IMPACT on pupils	Evaluation, Sustainability & Next Steps?
All classes to complete Commando Joe days every half a term.	Complete Commando Joe day each half term. Children to develop the 6 Cs. Character, citizenship, challenge, communication, collaboration and critical thinking.	Commando Joes supports with attendance and attainment, mental and physical wellbeing, behavior and attitude, independence and creativity, community engagement, SMSC and British values.	Children will complete physical activities to develop team work, resilience and empathy. Through following a range of lessons, in line with the curriculum, children will become more engaged with sport and it will also raise aspirations.
P.E Resources continually refreshed to ensure all PE and extended schools clubs/activities can be delivered using equipment that is fit for purpose.	Audit completed and resources updated/renewed as appropriate. Resources bought for PE lessons and playtimes and lunchtimes.	Resources bought for PE lessons and playtimes and lunchtimes.	Children have access to a range of PE resources and all equipment is available for PE, sports clubs.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

Cost: £4,500

Objective:	Actions	The IMPACT on pupils	Evaluation, Sustainability & Next Steps?
Continue to develop the role of the PE lead in school. PE lead to have time out of class to prepare and plan for PE and Sport at St Mary's Staff use CPD opportunities provided by the School Sport Network in order to increase confidence, knowledge and skills	PE lead to develop their own skills and understanding through training and supportive mentoring. PE lead to have sessions out of class to plan, prepare and assess PE and sport within St Mary's School Sport Network affiliation	PE across the school is more sequential in terms of sports taught and festivals and competitions for pupils to participate in.	Teachers upskilled in their P.E teaching to ensure children are always receiving the best possible provision the school can offer.

Grassroots to come into school to provide staff CPD opportunity to increase staff's knowledge and skills of teaching Physical Education.	Staff to attend P.E lessons alongside their class to gain greater knowledge of the P.E curriculum and to observe an experienced practitioner teach new skills and lessons to children.	High quality CPD to enable teachers to gain further knowledge and experience of physical activity.	Teachers will acquire the skills to provide high quality P.E lessons of their own.

4. Broader experience of a range of sports and activities offered to all pupils

Cost: £3,650

Objective:	Actions	The IMPACT on pupils	Evaluation, Sustainability & Next Steps?
Specific coaching for a wider range of sporting activities both within PE and for extra-curricular clubs e.g. tennis, basketball, netball, gymnastics, dance, etc.	Employ different coaches to offer a wider range of sport in PE and extra-curricular activities.	Extended schools register shows the number of children participating in extra-curriculum activities is rising each year due to the wide range of activities we offer.	Promoted wider range of physical activity opportunities.
To engage children's interests in sport outside of school.	Children to complete Kayaking with Surfing with South Shields Surf School	Pupils will become more confident in the water and make links with local clubs that they can use out of school time. Kayaking is also excellent for fine motor skills and to develop physical skills.	Children to attend surfing and kayaking classes. Children are able to then have access to the classes and this will hopefully encourage to go outside of school also.
Pupils develop and display key leadership and interpersonal skills, whilst also making a significant impact to the engagement and organisation of sport within School.	Sign up 4 pupils for the School Sport Organising Crew Programme	School Sports Organising Crew are aware of how to lead safe, organised activities suited for the different age groups. This has had a positive impact on behaviour during both play times and dinner times. It has also increased pupil involvement in physical activity and has promoted team work and collaborative playing/interaction between year groups	School Sports Organising Crew have started to train next years' crew. Provide training for new crew next academic year.

5. Increased participation in competitive sport

Cost: £4,000

Objective:	Actions	The IMPACT on pupils	Evaluation, Sustainability & Next Steps?
Access school competitions across South Tyneside	Access available competitions on offer within our area. Subscribe to South Tyneside School Sport Network for access to competitive sport opportunities	Throughout the year children from Reception-Y6 have the opportunity to take part in competitions. This will give children a positive outlook on competitive sports. Pupils understand how to improve performances and work as a team whilst developing skills specific to the sport / game; they enjoy communicating,	Continue to promote healthy competitive ethos within school and the wider community. There has been an increased proportion of children able to attend different sporting events as a result of affording transport costs.

		collaborating and competing against others and against themselves	
Transportation to sporting events	Organising transportation to and from events School bus and coaches to be taken into consideration	There will be an increased proportion of children able to attend different sporting events as a result of affording transport costs.	Promote wider range of physical activity opportunities.

Following the Swim Review in 2019, schools must also report on the impact of their swimming provision:

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort , swim competently, confidently and proficiently over a distance of at least 25 metres?	72%
What percentage of your current Year 6 cohort , use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	72%
What percentage of your current Year 6 cohort , perform safe self-rescue in different water-based situations?	72%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
