

A stylized, colorful illustration of a landscape. The foreground features rolling green hills with dark brown soil. On the left, there is a green tree, a purple flower, and some orange foliage. A small red bird is flying in the sky above the tree. The background consists of light blue and white wavy lines representing a sky or distant hills.

Extra Curricular Activities @ St. Mary's

2022-2023

Each half term, we offer an extensive range of after school provision.

- Many clubs are offered free of charge
- We charge £1 for each club if we need to pay for resources
- If we arrange an external provider then we will charge £2 per club
- No child should miss out on an after school club due to cost, please see us if you would like to discuss this.

Forest School

We are very fortunate to have our forest school within the school grounds.

The children have enjoyed exploring our forest school environment during our after school clubs. They have toasted marshmallows on the camp fire, built enclosures and so much more.

Commando Joe

Commando Joe is just one of the after school clubs that we offer, this club is very popular with our children.

The children enjoy working together as a team to complete tasks, using various skills.

Story & Craft Club

During this club the children enjoyed sharing a familiar story.

They then went onto complete a craft activity based on the book.

At the end of the session they enjoyed sharing their finished craft with each other.

Cookery Club

The children have enjoyed attending our cookery club, learning new life skills.

They are always very proud of the finished product and enjoy trying new foods.

Our after school clubs are very popular with the children within our school.

The children are involved in choosing clubs that they would like to see take place.

We are always adding new clubs and experiences for the children to take part in.
